Athlete Spotlight

Atticus Fenton- Boys Basketball

What is your favorite part about being on the SLOHS Basketball Team?

I like being a part of a team because of the sense of camaraderie and brotherhood that comes with it. When we win, we win as a team; when we lose, we lose as a team.

What are you looking forward to this season?

I am looking forward to winning games and the support of having a crowd at home games.

What is the team's biggest challenge this season?

Our biggest challenge this season is coming back from our previous season, where we had a losing record. We hope to improve this season and come out with some wins.

What is your favorite memory associated with playing basketball at SLOHS?

When I made a no look pass during our game against AG. Check it out on the SLOHSAthletics Instagram.

I like being apart of a team and the friends that I have made through the program. I enjoy the competition that comes with the sport and getting to play games with my team.

What are you looking forward to this season?

I am looking forward to tournaments and playing home games, as the support from the tiger crowd really makes a difference in our playing style.

What is the team's biggest challenge this season?

A lot of the players are new to the team and becoming a closer team poses a challenge.

Coach Spotlight

Coach Perez, Boys Soccer Coach

What is your favorite part about coaching SLOHS soccer?

My favorite part about soccer is getting to play and coach the sport I love as part of my job. Since I couldn't quite cut it as a professional coach, this was the next best thing!

What has been a highlight of the season?

We just started our season a couple days ago, but I already have a great memory. In our opening game against Lompoc, we had a last minute schedule change and ended up needing to host at SLO High. It was the first time a lot of these players had played under the lights on campus in almost 2 years. Three of my JV players from two years ago all started, and all ended up scoring! (Luca Marino, Rainier Gorton, Reed Barry)

How will COVID impact the soccer season?

Since COVID is still very much a factor, we will continue to stay safe and follow county health guidelines. Beyond taking these necessary measures, a lot of our players are used to doing this, and are more eager than ever to start out the season out strong.

What are you looking forward to this season?

This will be my first year coaching Varsity, and I have some players who have been with me for up to 4 years, so I am really excited to have a great send-off season for our Seniors and play some home games at the Lower Field!

Do you have a favorite memory from past years?

Not necessarily one memory, but I've always enjoyed seeing the friendships that are born during the season.
