Congratulations Coach Ernstrom!

Coach Ernstrom Hangs up his stopwatch after coaching for 53 years!

On April 29th, hundreds of people gathered on the new SLOHS pool deck to recognize Coach Ernstrom and his outstanding career and lasting influence here at San Luis Obispo High School and in our community. Coach Rick Ernstrom has coached aquatics at San Luis Obispo High School for 53 years and is retiring. His career includes a phenomenal 34 league championships and 5 CIF championships.

As our AD, Marci Beddall, shared, “Despite Rick’s impressive record, he will mainly be remembered for being the type of coach that cared more about the personal development of his athletes rather than their physical or athletic growth. Rick’s indelible legacy is not in building champions but in creating leaders, innovators, and individuals of high character. Coach Ernstrom has always cared more about the quality of his players’ principles than in how many records they broke. I can say with absolute certainty that there will never be another coach such as Rick Ernstrom who leaves San Luis Obispo High School with the respect and reverence that he has garnered over generations here at SLO High.”

Booster Bash Save the Date!

SLO High Athletics 's biggest fundraiser of the year is our Booster Bash! It will be held October 22nd at the Madonna Inn. There will be a live and silent auction, dinner, dancing, and loads of fun!

We need your help to make it a success. We are actively looking for live and silent auction items as well as volunteers to help with planning. For more information, please email Heidi Gill at Heidi@jhgillcompany.com
